

# Be Internet Legends.

## Your Be Internet Legends adventure...

What's your name?

In a little while, you'll be joining **Google** and **Parent Zone** for a very special virtual assembly – an adventure through the world of **Be Internet Legends!**

You'll take a tour of **Interland**, meet the **Internauts** and find out what they do to be safe and confident online – all from the comfort of your chair.

To make your journey as fun as possible, please **answer these questions before or during the assembly** and share them with your teacher by commenting on the Be Internet Legends post from 21<sup>st</sup> May 2020.

Being an Internet Legend means being sharp, alert, secure, kind, and brave. To demonstrate these qualities, I plan to stick to the following guidelines:

## Think Before You Share

I will thoughtfully consider what I share and with whom, and keep extra-sensitive information to myself (such as my home address, current location, or other people's business).

## Check it's For Real

I will watch out for phishing and scams, and report questionable activity every time.

## Protect Your Stuff

I will take responsibility for protecting important information by crafting strong and unique passwords with characters, numbers, and symbols.

## Respect Each Other

I will spread positivity and use the skills I have learned to block and report negative behaviours.

## When in Doubt, Discuss

I will use my voice when I notice inappropriate behavior and seek out a trusted adult to discuss situations that make me uncomfortable. Because that's what it takes to be a safe and fearless explorer of the online world.

Signed,
