

RULES FOR SCHOOL:

1. Wash your hands as soon as you get into school.
2. Follow all of the rules your teachers give you – these will help keep everyone safe.
3. Remember, you do not need to wear your school uniform; just wear clean clothes every day.
4. Remember to cough and sneeze into a tissue – or into your elbow – and then throw away the tissue into the right bin and then wash your hands
5. Keep to your special school corridor and school zones – there are signs in school which you must follow.
6. Only use the toilet matching your bubble name or colour.
7. Tell ANY grown up if you are not feeling very well.
8. Help keep your own table clean (if you can)
9. Remember to wash your hands a lot during the school day. Sing the 'Happy Birthday' song two times whilst you wash your hands; then dry your hands with a paper towel.
10. Remember to keep a distance away from your friends and from adults. 'Make like a tree'.
11. Only use the things on your table; please do not share things.
12. Play and act sensibly when outside. Games like football and 'fig' cannot be played at the moment
13. Do not hold open doors for anyone (this may seem a bit mean, but you will get too close to them if you do this).
14. Please do not to bring toys or pencils in from home unless you have been asked to.
15. Remember to take photographs of all of the lovely work you do in school and put this on your portfolio page (you may need help here). Take your work home with you every day.
16. NEVER go in a room, or open a cupboard, or use any equipment that has red and white tape on it.
17. Remember where your fire escape route is.
18. You may bring in a small bag or crisps or a small snack to eat at playtime. You may also bring a plastic bottle with water in it.
19. Tell a grown up if anything worries you.
20. Remember to laugh and enjoy seeing your friends. Things may be a bit different – but we will try to make sure that something fun happens every day.
