

SCHOOL DEVELOPMENT PLAN 2020 - 2021

Ensure there are no gaps in attainment and progress for key pupil groups inc. those with SEND & with Free School Meals.

Reduce the impact school closures have had on pupils— both academically & mentally through careful curriculum planning and appropriate use of money & resources.

Enhance the agreed Marking and Feedback policy, ensuring it is fully embedded; resulting in good evidence of progress across school

Develop & enhance staff & governor recruitment & induction.

Increase combined % of pupils reaching expected standards & making at least expected progress in Reading, Writing & Maths in all year groups.

Continue to raise rates of attendance & punctuality in all groups.

School has developed an effective approach to blended learning

Develop Cluster links and work

Assessments are precise and used effectively to ensure all children are challenged in their learning.

There is evidence to show that the Pupil Premium & Catch up funding is well-spent.

To ensure the quality of teaching and learning is consistently good or better in all year groups, resulting in improved pupil attainment and progress.

School develops new approaches to enhance the health, well-being & welfare of pupils and staff

School is open & COVID-19 secure

Increase governor ability to challenge & support the school on its journey of improvement

Investigate the impact of the development of planning, teaching & evaluation of curriculum provision across the school - inc remote learning

Further extend opportunities for family engagement, involvement & capturing parent voice

Train support staff to become specialists in key interventions to help meet the needs of all learners

Plans for curriculum recovery and pupil catch up are devised, implemented and show impact

Pupils remain happy & safe in school; their voices are heard.

Changes in the way maths is taught brings about rises in standards & teacher expectation

Maintain the high GLD scores in EYFS.

Achieve National Standards in phonics scores for Y1 and Y2.

Further strengthen & enhance subject leadership to ensure effective monitoring

Increase % of pupils working at higher standards in all subjects.

New assessment systems for pupils with SEND to help better track learning & progress

Raise standards and expectations across KS1 to secure good outcomes.

Maintain a broad, engaging & purposeful curriculum; ensuring that our curriculum meets the unique needs of our school.
