

PUPIL PREMIUM IMPACT REPORT 2016-2017

KEY STAGE 2 RESULTS

ATTAINMENT

READING			
ALL PUPILS	DISADVANTAGED PUPILS	DIFFERENCE	COMMENTS
50% working at Expected Standard	40% working at Expected Standard	-10%	<p>Despite a new reading initiative and intervention sessions, pupils in receipt of the PPG performed worse than their peers at the end of KS2. This shows that the PPG was not used effectively enough. Evidence and data suggests that a more focused approach to the teaching of reading, and specialised tuition groups is required. School also needs to ensure that more pupils in receipt of the PPG reach higher than expected standards.</p> <p>School is pleased to note however that there was only 1 point difference in the average scaled scores between all and disadvantaged pupils (99 for all pupils; 98 for disadvantaged).</p>

WRITING			
ALL PUPILS	DISADVANTAGED PUPILS	DIFFERENCE	COMMENTS
47% working at Expected Standard	50% working at Expected Standard	+3%	<p>Pupils in receipt of the PPG outperformed their non-disadvantaged peers. This is largely attributed to the use of additional staff to support PPG children with their writing work. Sadly no disadvantaged pupils exceeded expected standards in writing, whereas 3% of all pupils did. This is an area of focus for 2017-18.</p>

MATHS			
ALL PUPILS	DISADVANTAGED PUPILS	DIFFERENCE	COMMENTS
47% working at Expected Standard	40% working at Expected Standard	-7%	<p>Despite additional adult support, pupils in receipt of the PPG performed worse than their peers at the end of KS2. Self-evaluations show a lack of specific maths support for PPG children. The use of PiXL therapies, along with enhancing staff to specifically teach these interventions, will become an area of focus for 2017-18.</p> <p>Average scaled scores show a difference of -2% when compared to their non-disadvantaged peers</p>

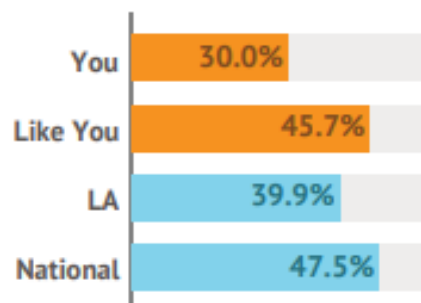

(99 average point score for all pupils; 97 for disadvantaged).

Key Stage 2

Closing the Gap

Disadvantaged Pupils Achieving the Expected Standard in Reading, Writing & Maths

30.0%

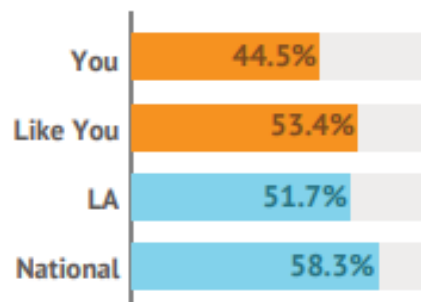

The percentage of disadvantaged students at Primrose Hill Primary School and Children's Centre achieving the expected standard in reading, writing & maths is 15.7% less than the similar schools average, and 9.9% lower than the LA average. The school gap has narrowed by 1.8% since last year.

Cohort size = 20

EAL Pupils Achieving the Expected Standard in Reading, Writing & Maths

44.5%

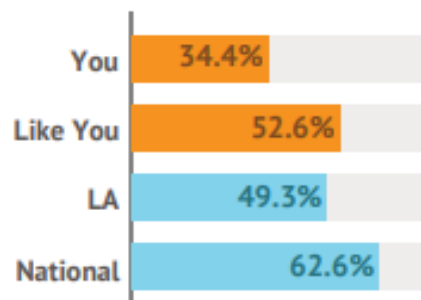

The percentage of EAL students achieving the expected standard in reading, writing & maths is 8.9% lower than the similar schools average, and 7.2% less than the LA average. The school gap has narrowed by 19.4% since last year.

Cohort size = 13.5

Non Mobile Pupils Achieving the Expected Standard in Reading, Writing & Maths

34.4%

The percentage of non-mobile pupils achieving the expected standard in reading, writing & maths is 18.2% less than the similar schools average, and 14.9% lower than the LA average. The school gap has widened by 2.1% since last year.

Cohort size = 32

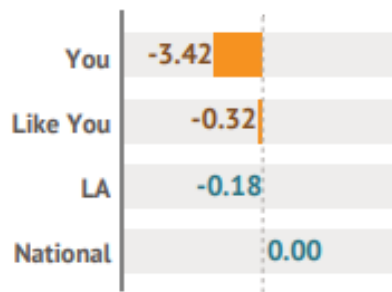

PROGRESS MEASURES IN READING, WRITING AND MATHS FOR DISADVANTAGED PUPILS WAS MUCH WEAKER THAN PROGRESS FOR THEIR NON-DISADVANTAGED PEERS. MATHS WAS PARTICULARLY POOR. IT IS OBVIOUS THAT THE SCHOOL NEEDS TO DO MORE TO ENSURE THAT CHILDREN IN RECEIPT OF THE PPG DO AT LEAST AS WELL AS THEIR NON-DISADVANTAGED PEERS. THE DIFFERENCE BETWEEN DISADVANTAGED AND NON-DISADVANTAGED PERFORMANCE AT THE END OF KS1 IS NOW WIDER THAN IT WAS IN 2016-17.

Key Stage 2

Progress

Progress Score in Reading

-3.42

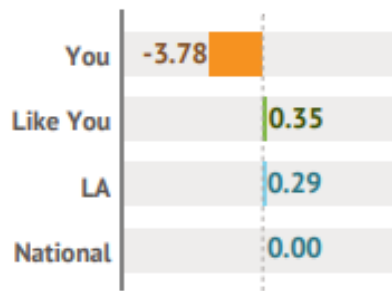

At Primrose Hill Primary School and Children's Centre the reading Overall Progress Score is -3.42. This is 3.10 less than the average for similar schools, 3.24 less than the average for LA and 3.42 less than the national average.

Cohort size = 30

Progress Score in Writing (TA)

-3.78

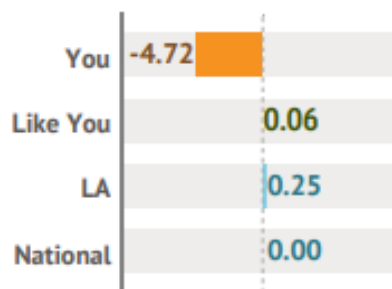

At Primrose Hill Primary School and Children's Centre the writing Overall Progress Score is -3.78. This is 4.13 less than the average for Like You, 4.07 lower than the average for LA and 3.78 less than the national average.

Cohort size = 30

Progress Score in Maths

-4.72

At Primrose Hill Primary School and Children's Centre the maths Overall Progress Score is -4.72. This is 4.78 lower than the average for Like You, 4.97 lower than the average for LA and 4.72 lower than the national average.

Cohort size = 30

Pupil Premium Success At Key Stage 1

Disadvantaged pupils out-performed their KS1 peers in Reading, Writing and Maths. School needs to analyse these successes carefully and apply this knowledge to the work being done in KS2. Although there was only a +1% difference in scores for Reading and Writing at the end of KS1, there was a significant difference in performance for maths – with +5% more disadvantaged pupils reaching age-expected standards.

READING		
All : 56%	Disadvantaged : 57%	Difference : +1%
WRITING		
All 60%	Disadvantaged : 61%	Difference : +1%
MATHS		
All : 65%	Disadvantaged : 70%	Difference : +5%

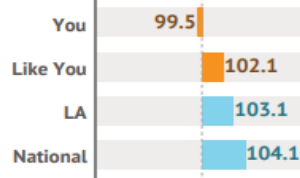

SUPPLEMENTARY INFORMATION ON KS2 DISADVANTAGED PERFORMANCE 2016-17

Key Stage 2

Average Scaled Score

Average Scaled Score in Reading

99.5

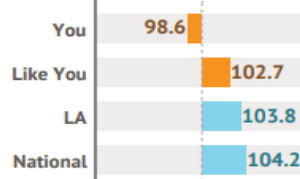

At Primrose Hill Primary School and Children's Centre the AvSS for reading is 99.5. This is 2.6 less than the average for similar schools, 3.6 lower than the average for LA and 4.6 less than the national average.

Cohort size = 35

Average Scaled Score in Maths

98.6

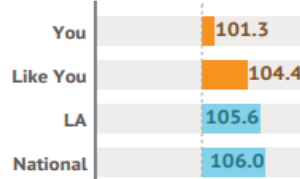

At Primrose Hill Primary School and Children's Centre the AvSS for maths is 98.6. This is 4.1 lower than the average for similar schools, 5.2 lower than the average for LA and 5.6 less than the national average.

Cohort size = 35

Average Scaled Score in EGPS

101.3

At Primrose Hill Primary School and Children's Centre the AvSS for EGPS is 101.3. This is 3.1 lower than the average for similar schools, 4.3 less than the average for LA and 4.7 lower than the national average.

Cohort size = 35

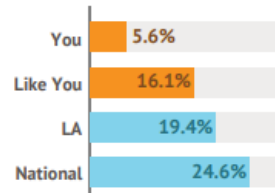

Key Stage 2

Attainment by Subject

Pupils Achieving Higher Standard in Reading

5.6%

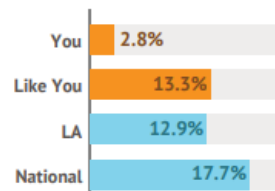

At Primrose Hill Primary School and Children's Centre 5.6% of pupils achieve a high scaled score in reading. This is 10.5% less than the similar schools average, 13.8% less than the LA average and 19.0% lower than the national average.

Cohort size = 35

Pupils Working at Greater Depth in Writing (TA)

2.8%

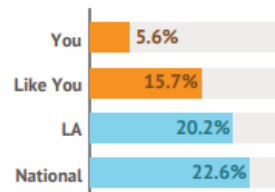

At Primrose Hill Primary School and Children's Centre 2.8% of pupils achieve greater depth within the expected standard in writing (TA). This is 10.5% less than the similar schools average, 10.1% less than the LA average and 14.9% lower than the national average.

Cohort size = 35

Pupils Achieving Higher Standard in Maths

5.6%

At Primrose Hill Primary School and Children's Centre 5.6% of pupils achieve a high scaled score in maths. This is 10.1% lower than the similar schools average, 14.6% less than the LA average and 17.0% less than the national average.

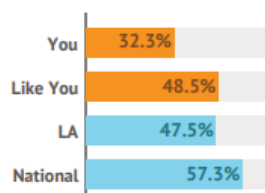

Cohort size = 35

Key Stage 2

Closing the Gap (Gender)

Boys Achieving the Expected Standard in Reading, Writing & Maths

32.3%

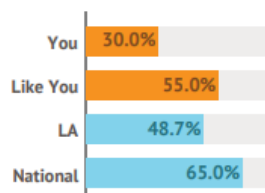

The percentage of boys at Primrose Hill Primary School and Children's Centre achieving the expected standard in reading, writing & maths is 16.2% less than the similar schools average, and 15.2% less than the LA average. The school gap has widened by 3.1% since last year.

Cohort size = 15.5

Girls Achieving the Expected Standard in Reading, Writing & Maths

30.0%

The percentage of girls achieving the expected standard in reading, writing & maths is 25.0% lower than the similar schools average, and 18.7% less than the LA average. The school gap has widened by 1.8% since last year.

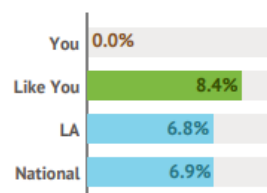

Cohort size = 20

Key Stage 2

Closing the Gap (Prior Attainment)

Low Prior Attainment Pupils Achieving the Expected Standard in Reading, Writing & Maths

0.0%

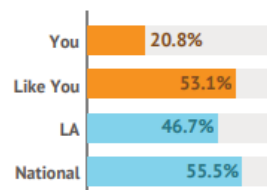

The percentage of low prior attainers at Primrose Hill Primary School and Children's Centre achieving the expected standard in reading, writing & maths is 8.4% less than the similar schools average, and 6.8% less than the LA average. The school gap has widened by 0.9% since last year.

Cohort size = 3

Middle Prior Attainment Pupils Achieving the Expected Standard in Reading, Writing & Maths

20.8%

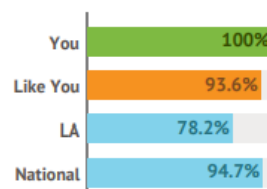

The percentage of middle prior attainers achieving the expected standard in reading, writing & maths is 32.3% less than the similar schools average, and 25.9% lower than the LA average. The school gap has widened by 21.0% since last year.

Cohort size = 24

High Prior Attainment Pupils Achieving the Expected Standard in Reading, Writing & Maths

100%

The percentage of high prior attainers achieving the expected standard in reading, writing & maths is 6.4% higher than the similar schools average, and 21.8% higher than the LA average. This group is still outperforming the national average but by 3.7% less than they were last year.

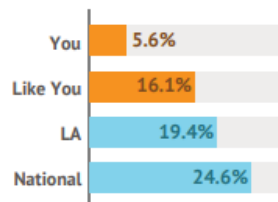

Cohort size = 3

Key Stage 2

Attainment by Subject

Pupils Achieving Higher Standard in Reading

5.6%

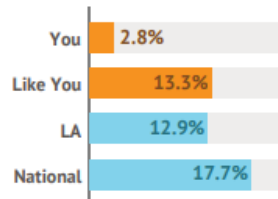

At Primrose Hill Primary School and Children's Centre 5.6% of pupils achieve a high scaled score in reading. This is 10.5% less than the similar schools average, 13.8% less than the LA average and 19.0% lower than the national average.

Cohort size = 35

Pupils Working at Greater Depth in Writing (TA)

2.8%

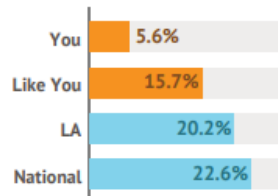

At Primrose Hill Primary School and Children's Centre 2.8% of pupils achieve greater depth within the expected standard in writing (TA). This is 10.5% less than the similar schools average, 10.1% less than the LA average and 14.9% lower than the national average.

Cohort size = 35

Pupils Achieving Higher Standard in Maths

5.6%

At Primrose Hill Primary School and Children's Centre 5.6% of pupils achieve a high scaled score in maths. This is 10.1% lower than the similar schools average, 14.6% less than the LA average and 17.0% less than the national average.

Cohort size = 35
