WHAT IS THE PUPIL PREMIUM?

The Pupil Premium is additional funding provided to schools to support specific groups of children who are vulnerable to possible underachievement. These include pupils who are entitled to free school meals, those looked after by the local authority and children of armed service personnel. THIS LEAFLET GIVES YOU SOME EXAMPLES OF HOW WE ARE USING THIS FUND TO HELP BENEFIT OUR AMAZING PUPILS!

A speech and language therapist has been employed to carry out assessments, provide advice to the teacher and support individual children through tailored interventions to support their speaking skills and language development.

Targeted interventions are being delivered throughout the school for reading, writing and maths delivered by bought-in support, teachers and teaching assistants with a specific target of minimising gaps and accelerating progress.

Translation services will be provided for vulnerable families who have English as an Additional Language as well as funding the provision of an ESOL English language class for parents. Within school, pupils will receive language acquisition assistance through services like EMTAS.

The Pupil Premium is being used to purchase devices for children at Primrose Hill Primary in order to enable them to use academic enhancing apps and technologies, which support their progress.

Catch-up programmes throughout school will be supported by the Pupil Premium, for reading, writing, speech and language and maths. These will help minimise the long-term impact of COVID-19 through the use of extra-timetabled lessons run by teachers, teaching assistants and other bought-in support staff.

We invest £18K each year to ensure children are able to access trips and special events, no matter what their family's financial status is!
