

# MARKING CODES

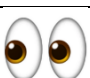

We are **LOVING** all the work you are sending us on your portfolios on **Class Dojo** or uploading on **Google Docs**. **THANK YOU!**

Sometimes your teacher will write a comment about your work – this might be something to check or correct. Sometimes it might be an extra challenge if you have done really well, or some extra help if you got a bit stuck.

Sometimes, we will use these **EMOJIS** instead of a comment. This means we have seen and read your work and we don't need to write a comment this time. Over the week, your work will have a mix of some comments and some emojis. **EVERY teacher is going to use the same emojis so if you see them, we will all know what it means!**

*I wonder which emoji you will see on your work first?*

Comment	Emoji
All correct. Well done!	
Excellent effort	
Fantastic presentation	
Nearly there - keep going	
Super try! I will give you more help with this.	
You are ready for a challenge – wow!	
Can you retake the photo please, I can't see your work properly.
