

PRIMROSE HILL PRIMARY SCHOOL

Phoebe Street, Ordsall, Salford, M5 3PJ

Dear Parents, Carers and Friends of Primrose Hill,

Thank you for choosing to send your child to our school.

Primrose Hill Primary School is a vibrant and exciting school for children between the ages of three and eleven years.

We get to know our children and their families very well. Every child at Primrose Hill is special and valued. We expect children to do their best and we also demand high standards of ourselves. We aim to provide good quality teaching and resources to help children learn, achieve and succeed.

All our staff keep up-to-date with educational developments in order to benefit children's learning. We pride ourselves on the personal qualities of our staff. We are approachable, friendly and always pleased to talk to you about your child, their school and their progress. Although I cannot promise to fix everything, I will always try my very best to make sure that your child is happy, safe and cared for and that you are listened to. Our parent workshops provide parents with a hands-on way of supporting their child in school and at home and every child is sent an attainment and effort report at the end of each term.

Our engaging curriculum, along with our care and support systems, help to ensure that children have a happy and purposeful time at Primrose Hill. Like everyone else here, I want the school to be a centre of excellence, inspiration and superb academic achievement. Working together as a team we will achieve this.

Our children deserve the very best. Thank you for joining us all on this exciting and rewarding journey.

With my warmest wishes to you and your family,

Mr Lee Ashton

Headteacher
